

# Around the Benz

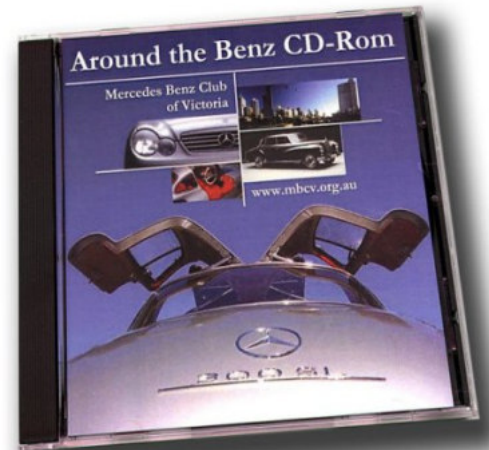

## CD ROM ARCHIVE

Our magazine archive is now available with a searchable index.

With your copy of *Around the Benz* on CD, you can:

- Browse through every magazine from issue 1 (February 1971) through to issue 327 (December 2001).
- Find specific information using a powerful search engine.
- Search engine interface provides Boolean (AND, OR, NOT) search capabilities.  
Eg “tune” OR “mixture” AND “injection” NOT “carburettor”
- Read a myriad of articles (including technical topics) written by Club members.
- New members can access material that appeared in *Around the Benz* prior to their joining the Club.
- Look up your number plate to check past ownership.
- The format is viewable on any computer, including Macintosh™, using Adobe™ portable document format.
- Only requires basic computer knowledge to operate.
- On-screen layout is the same as the paper version – complete with pictures.
- Cost is only \$45 for members or \$60 for non members (plus postage if applicable)

**This CD is currently being updated to a DVD containing all magazines from the first issue (February 1971) through to 2009.**
